A Part of Darkness
Restrictive,
The gods below,
Hear them lie,
Forever by my side,
Restrictive,
Consumed upon the abyss,
Devouring,
Devouring their souls,
Live far behind,
Live far behind.

Awakening decay,
Follow me,
Real laughterdead,
Walking dreamers,
Why?

Hear.

White lies,
The bleeding rain,
Rough dreams,
They burn sour skies,
They burn sour skies.

Awakening decay,
Follow me,
Real laughterdead,
Walking dreamers.
