You said that we could take full advantage of the weekend

But you got no money 'cause your checks keep bouncin' away

I only need six hours of your precious time now

'Cause you know how much I need my studio love now

Come on

Oh

Cheer up baby

Sunday is on it's way

Cheer up baby

Sunday is on it's way

Cheer up baby

Sunday is on it's way

Friday's here but what a let down let down let

Saturday's so sunny but what a let down let down let

And there's only one last hope for the weekend

Whoa ohhh

Cheer up baby

Sunday is on it's way

Cheer up baby

Sunday is on it's way

Cheer up baby

Cheer up baby

Cheer up baby

I thought that we could dash a sprinkle of love on the promptus

But you can't book time 'cause --- got ---- to sign

And you know I've got hits just ready to pop out

But I can't do it all for jack land now come on

Friday's here but what a let down let down let

Saturday's so sunny but what a let down let down let

And there's only one last hope for the weekend

Whoaa ohh

Cheer up baby

Sunday is on it's way
Cheer up baby
Sunday is on it's way
Cheer up baby
Sunday is on it's way
Cheer up baby
Sunday is on it's way...
