I didn't hardly eat a thing all day
Thinking about you and what you'd say
Just to look in your eyes
Yeah, I'd pay full price
To the moon and back, yeah
That's no lie
Take my heart
Cleo, Cleo, Cleo, Cleopatra eyes
Well we must have been sleeping for years
And years and years and years
But now, Im alone in your arms
P-p-p-pinching myself to make believe
That I'll run away with you
You can take me for a fool
You can take me for a ride
Well we must have been talking for days
And days and days and days
But now, Im alone in my thoughts
T-t-t-touching myself to make up for losing you
And I'll run away with you...
