It's not the way you make me lose my self control. I  
close my eyes, it's not enough, I picture you. still  
picture.  
Why'd you go let me feel? feel as if I'm right?  
I have power in this moment.  
Why'd you go and let me run so far? no more questions  
only answers.  
It's the way, that you make me lose my self control. I  
close my eyes, it's not enough, I picture you. still  
picture.  
It's the way, that you make me lose my self control. I  
close my eyes, it's not enough, I think of you. still think  
of.  
Held my hand and closed my eyes. I thought that I was  
blond. by myself alone to wander. why'd you go and  
let me fall so far?  
Where's your sense of compassion?  
It's the way, that you make me lose my self control, I  
close my eyes, it's not enough, I picture you. still  
picture.  
It's the way, that you make me lose my self control. I  
close my eyes, it's not enough, I think of you. still think  
of.  
I'm on the other line. I'm on the other line!  
It's the way, that you make me lose my self control. I  
close my eyes, it's not enough, I picture you. still  
picture.  
It's the way, that you make me lose my self control, I  
close my eyes, it's not enough, I think of you. still think  
of.
