So long. great for you to stay but now we must let you go.
I know. the hardest part about this is ego and existence.
You know. none of this was real you were only temporary.
You know. you'll thank me later for things that I've done for you.
Don't think. don't feel. you might like something. soon enough we'll all wake up.
Don't look. question when you, yes you pray.
Held on. to images of you now you're just a memory.
Let go. infinite consciousness awaits you in the afterlife.
You know. none of this was real we were only temporary here.
You know. you'll thank me later for things that I've done for you.
Don't think. don't feel. you might like something. soon enough we'll all wake up.
Don't look. question nothing when you, yes you pray.
Don't think. don't feel. you might like something. paid in blood, you'll follow me.
Don't look. question nothing when you, yes you pray.
The hardest part about this is ego and existence.
question nothing when you pray.
Paid in blood you'll follow me.
Don't think. don't feel. you might like something. soon enough we'll all wake up.
Don't look. question nothing when you, yes you pray.
Don't think. don't feel. you might like something. paid in blood, you'll follow me.
