Oppression breeds a brutal strength/ I'll wash my hands once they are tied/ Submit yourself to ignorance/ and your god.

An angels way, to kiss you when you pass away. we've called to say, we might be late/ you know we're on our way.

To murder when we liberate... we called it liberate. Guilt, I'm wrapped with guilt, I'm wrapped with. Not like I found what we're fighting for.

An angels way, to kiss you when you pass away. we've called to say, we might be late/ you know we're on our way.

I won't be late, I just won't be there. an angels way, to kiss you when you pass away.

An angels way, to kiss you when you pass away. we've called to say, we might be late/ you know we're on our way.

Guilt, I'm wrapped with guilt, I'm wrapped with.
