If this is it, you can have it.
How much politics can you shove down my feeding
tube?
Red tape and policy is what keeps me alive.
In the land of the free/ I'm online! message me.
In the land of the free/ don't conform! just like me.
She's all like OMG! and I'm all like OMG! they're all like
OMG!
I'm like there's no god anymore!
She's all like OMG! and I'm all like OMG! they're all like
OMG!
I'm like there's no god anymore!
Bullet proof vest is this years new school uniform.
Hollywood suicide. my ego is glorified.
My funeral is brought to you live. please exploit me.

In the land of the free/ I'm online! message me.
In the land of the free/ don't conform! just like
YENEALEM.
She's all like OMG! and I'm all like OMG! they're all like
OMG!
I'm like there's no god anymore!
She's all like OMG! and I'm all like OMG! they're all like
OMG!
I'm like there's no god anymore!
If this is it, then you can have it.
She's all like OMG! and I'm all like OMG! they're all like
OMG!
I'm like there's no god anymore!
She's all like OMG! and I'm all like OMG! they're all lile
OMG!
I'm like there's no god anymore.
