What are these transmissions? some sort of  
misconception.  
I'm hearing voices but I can't tell if it's you on the line.  
Can you hear me? or I have I gone to hear?  
I've just connected. 3... 2... 1... transmission is done.  
The pieces of my heart.  
Yeah they slowly break away.  
And they crash into the ocean.  
As I feel you drift away.  
To live in this condition. we've miscommunicated.  
You're breaking up but I'm doing everything that I can.  
Can you hear me? or I have I gone to hear?  
I've disconnected. 3... 2... 1... transmission is done.  
The pieces of my heart.  
Yeah they slowly break away.  
And they crash into the ocean.  
As I feel you drift away.  
When the tribe turns it's back on you/ you will fight until  
you die.  
And the pieces of my/ yeah they fall to the floor.  
I'm disconnected. I'm disconnected  
The pieces of my heart.  
Yeah they slowly break away.  
And they crash into the ocean.  
As I feel you drift away.  
As I feel you drift away.
