This is the tale of ELRIC
before he was called womanslayer
before the final collapse of MELNIBONE
this is the tale of the two
Black Swords

Mighty ELRIC, mightier Sword
Sorcerer and swordman
slayer of kin
Lor dof the dying race, king of ruins
Dragon master
Champion of Doom

Ymrrir the Dreaming city
Yrkoon, the hated usurper
Cymoril the beloved
all had fallen

to the fury nad unholy power
of the albino prince
and his terrible Sword

[chorus]
Stormbringer, balck runesword
battle thirsty prince
blood-hungry sword
Stormbringer, sing a song of victory
and as i hold you in my hand
you drink the souls
of all my enemies
my enemies, oh drink the souls
of all my enemies
