I always thought my war was eternal  
and steel my only friend  
I spent all my life fighting alone  
on my own

Until I found Tanelorn  
And a new man was born

[CHORUS]

We shall be free  
Reaching immortality  
We shall walk free through the trees of the forest of  
light  
We shall walk free through the trees of the forest of  
light

No more pain  
No death in vain  
Sanctuary of peace  
Where in harmony we can live  
Where I know we will meet again  
Soft sunlight shines for the heroes  
Now weary of war  
The ghosts of a past of endless fighting  
means nothing any more

Now I live in Tanelorn  
And a new life is born

[CHORUS]
