The might of my Enemies  
Die away in me  
I will survive  
I know I'm free  
In the Land of Grief  
With tears I slay  
Come! Take my Life!  
Come on! Let's play!

And I will rule  
Don't fuck my brain!  
Lie down on my bed  
Release my pain  
My hands are cruel  
It's killing you ( It's killing you!!! )  
You will be dead ( You will be dead!!! )  
And I will fuck you!

Can you understand my misanthropic thoughts with  
your dead mind  
Will you read my thoughts about life when I'll find my  
god?  
Wash my face in the river of blood, in the river of my  
blood  
Can you run away from madness? Sadness - My  
Goddess!  
Will you want to save her life  
When I will cut your naked wife  
With dirty knife?

SAVE YOURSELF !  
TRY TO SAVE YOURSELF !  
SAVE YOURSELF !

Your fucking senses  
You don't hear my screams  
Your dirty dances  
Excite my dreams  
My eyes are blind  
I want your flesh  
My painful mind  
Turns into trash!

SAVE YOUR SELF !  
TRY TO SAVE YOUR SELF !  
SAVE YOUR SELF !  
TRY TO SAVE YOUR  
SELF !!!
