I gotta let you go (4x)
I need someone who treats me right.

I want somebody
Who's always there
When I'm down to show you care
Searched the whole world over
For love that's true
Someone to tell me "I love you"
But it won't be my heart that's breaking
Cause I won't be the one to cry
I have taken all that I am taking
Now the time has come for us to say good-bye

I gotta let you go
I gotta let you go
No more sleepless nights
I gotta let you go
I gotta let you go
I need someone who treats me right

I want somebody
That's here to stay
Cause I need good lovin not a maid
Not a part-time lover
To treat me like you do
You wanna have your cake and eat it too
Just pack up all your lies
Get up and go
Cause now it's much too late to care.
I've taken all that I am taking
Oh don't look for me
This time I won't be there
Oh baby

I gotta let you go
I gotta let you go
No more sleepless nights
I gotta let you go
I gotta let you go
I need someone who treats me right. (2x)
