Time is on our side.

Time is on our side.

Time is on our side.

Time is on our side.

Time is on our side.
As long as you are with me
I will love you all my life.

Time is on our side.
As long as you are with me
We will keep the love alive.

I will love you
All my life
I will love you
All my life
I will love you all my life

Time is on our side
As long as you are with me
I will love you all my life

Time is on our side
As long as you are with me
We will keep the love alive

I will love you
All my life
I will love you
All my life
I will love you all my life
