it's been quite a while since we last talked  
When you come knocking at my door  
Tears flooding, you're sorry, little face  
And I know who, therefore

Everybody's giving you everything  
But you were never satisfied  
Couldn't keep yourself from wanting more  
No matter how you try

You can't keep what isn't yours and

Oh you sorrow  
Lose me but what hurts the most  
'Cause this is what you've done to me  
To think I loved you both  
Oh you crumble  
When I tell you how it goes  
He's the kind that never stays  
Belive me i should know

Now you tell me you're through your life  
You've always been a little sad  
And you always felt you have to take  
What you didn't have

Now you say(say)  
The pain you feel  
Chose you just how much you've lost  
But you just have to do what you have to do  
No matter what the cost
