Call me, call me...  
I'm not your imagination  
Your hysteria makes me stronger...  
Call Daddy with a hook looking for salvation  
I'll traverse mountains to be your shepherd  
I'll do it especially for you  
Everybody knows, but nobody talks  
Polishinel's secret

People think I'm crazy - whatever  
I'm the fan of killing - forever  
I am the jack-in-the-box  
Time to meet me baby - together  
Welcome to my Urban legend

Follow me  
Leave me be  
Time to thrill

People think I'm crazy - whatever  
I'm the fan of killing - forever  
Welcome to my heart break hotel  
Time to meet me baby - together  
Welcome to fright night

Fear I sense  
Dark romance  
Time to kill

For me - Euphoria  
For you - Agony  
For us - damnation forever  
Come to me my fragile bride

The hook in my hand  
Unchains your pain  
Hidden behind the mask

Give it to me  
I feel what you feel  
Till death do us part

Step by step through the centuries  
My spirit will equal with the god's of mayhem

That's the end of mystification  
Now you're down, but I want more  
Every soul is my resurrection  
Dark embrace and I'm reborn  
I'm reborn  
Over and over again
