Verse 1:

Me and You

Been kickin' it for sometime

Shorty, you ain't let me know what's on your mind

I remember when cheatin' on my girl was once my
steez

But the love's so good

You got me on my knees askin'

Please can we?

B Section:

Make love tonight

Feel so right

Hold you tight

Take my sweet time

To let you know how I am feelin' for you

So tight, your love is right

Keeps me up girl, all night

I love the way you hook me up girl

Hook:

Always hook you up, if you keep it real

Your love girl, I'll keep it real

You have got me stuck on how good it feels

It feels so good to me my baby

Verse 2:

Boy you know

I'm sittin' here outta my mind

'Cause I never thought I'd find

Someone to spend my time with

And the way you've opened up to me

Lets me know

So tell me can we?

Yo, realer than my late night creeps
You understanding me
The genuine article I can't fade sleep
Jay-Z, the king of the one nights
I can't stay forever, love

And I shall return to sweat out your perm
Cutie I would truly do damage to your dooby
That's the deal, ma
That's the deal of the deal
I keep it real, what I keep it realer than real Word to my
life...Jigga
