You're always there for me  
Whenever I fall  
Whenever I'm in need  
You always know when to call  
When I've come to my ends  
I know I can depend on your loving me  
Your touching me  
Constant faith and trust in me

Chorus:  
And how can I tell you  
How I love you so  
Oh darling  
I just wanna tell you  
That you're my pride and joy

You've been right there for me  
Through thick and the thin  
You were the strength for me  
You wouldn't let me give in  
At the end of the road  
Somehow I've always known  
That your trust in me  
Your love in me  
Got me to believe in me

Chorus:  
And how can I tell you  
How I love you so  
Oh darling  
I just wanna tell you  
That you're my pride and joy

Bridge:  
You are my first and last thought of the day  
You are my heartbeat  
Without you I can't breathe  
I can't imagine me without you in my life  
You are my one soul inspiration  
Without you I'll just die

Chorus:  
And How can I tell you  
How I love you so  
Oh darling I just wanna tell you  
That you're my pride and joy Repeat to Fade
