"Without You"

Visit "[Without You](#)" on MotoLyrics.com

I hear you calling me
Haunting me
There's nothing I can do
without you
(without you)

I stand here paralyzed
I've realised
There's nothing
without you
(without you)

If I could talk to you
Embrace you
Whisper in your ear
I would tell you

That, you are
The only,
The only thing i need

I hear you calling me...
Haunting me...

I am hypnotised
Mesmerized
As I walk toward the fire

The fear comes over me
And then I see
The meaning of desire

If you could see my face
Hold my hands
Look into my eyes
I would show you

That, you are
The only
The only thing i need
