All we wanna do, all we wanna do
All we wanna do, all we wanna do

Just a little lovin' before I go
Just a little lovin' before I go
Baby, hold my hand, I wanna love you some more

Walk down the street, knock me out
Walk down the street, knock me out
Upset my head, make me shout

Just a little lovin' before I go
(All we wanna do, all we wanna do, all we wanna do, all we wanna do)
Just a little lovin', yes, before I go
(All we wanna do, all we wanna do, all we wanna do, all we wanna do)
Baby, hold my hand, I wanna love you some more
(All we wanna do, all we wanna do, all we wanna do, all we wanna do)

All we wanna do, all we wanna do
All we wanna do, all we wanna do
All we wanna do, all we wanna do

All we wanna do, all we wanna do
All we wanna do, all we wanna do
All we wanna do, all we wanna do

Baby, baby, baby, let's go to a dance
Baby, baby, baby, let's go to a dance
Rock 'n' roll make romance

Just a little lovin' before I go
(All we wanna do, all we wanna do, all we wanna do, all we wanna do)
Just a little lovin', yes, before I go
(All we wanna do, all we wanna do, all we wanna do, all we wanna do)
Baby, hold my hand, I wanna love you some more
(All we wanna do, all we wanna do, all we wanna do, all we wanna do)

All we wanna do, all we wanna do
All we wanna do, all we wanna do
All we wanna do, all we wanna do
All we wanna do, all we wanna do
