I only want to tell you  
That I think you look real nice  
My face is so much brighter  
When I see you once or twice

I could learn  
All the ways of loving you  
If you gave me a chance to

Run into Spring with you  
Get in the ring with you  
Do anything we can do, oh, baby

(CHORUS)  
I could be so good to you  
Baby, baby  
I could be so good to you

I watched you standing all alone  
And then I saw you smile  
I knew I had to take a chance  
And talk to you awhile

So I can't waste any time  
I gotta move fast now

Telling you just how  
I can be good to you  
Do what I should for you  
I could do so many things, oh, baby

(CHORUS)

I want you, I need you  
I got to please you

(CHORUS) 4X
