(CHORUS)

Sitting here in limbo  
But I know it won't be long  
Sitting here in limbo  
Like a bird without a song  
Well, they're putting up resistance  
But I know that my faith will lead me on

(CHORUS)

Well, I don't know where life will lead me  
But I know just where I've been  
I can't say what life will show me  
But I know just what I've seen

Tried my hand at love and friendship  
But all that is passed and gone  
This little boy is moving on

(CHORUS)

Sitting in limbo, sitting in limbo  
Limbo, limbo, limbo  
Sitting in limbo, sitting in limbo  
Limbo, limbo, limbo  
Sitting in limbo, sitting in limbo  
Limbo, limbo, limbo  
Sitting in limbo, sitting in limbo  
Limbo, limbo, limbo...
