Ah Rastafari
Shall we leave all his children out of chance of Babylon
Yeah

Deeply
I'm deeply concerned
I'm deeply concerned
About my brothers and sisters
In Africa, South Africa
About my brothers and sisters
In Africa, South Africa
Every night I go to rest
I pray for you
My brothers and sisters
Every night I go to rest
I pray for you
My brothers and sisters
I pray to Jah to help our soul
And I know he'll hear our call
Pray to Jah to help our soul
And I know he'll hear our call
Oh yes, oh yes
Keep the faith
My brothers and sisters
I said keep the faith
My brothers and sisters
Cause Jah will soon send us
Another Moses, another Moses
To take us from bondage
Oh yes, oh yes
They take away our rights
And they gave us wrong
They may be strong
But it won't be for long
They take away our rights
And they gave us wrong
They may be strong
But it won't be for long
Deeply
I'm deeply concerned
I'm deeply concerned
About my brothers and sisters

In Africa, South Africa
In Africa, South Africa

Jah Rastafari liveth
It's me lion
Jah Almighty

Deeply
I'm deeply concerned
I'm deeply concerned
About my brothers and sisters
In Africa, South Africa
About my brothers and sisters
In Africa, South Africa
Every night I go to rest
I pray for you...
