Wa-ooh-wa-ooh-why  
Wa-ooh-wa-ooh-why  
Wa-ooh-wa-ooh-why  
Wa-ooh-wa-ooh-why

Look into my history  
I can recall the days of slavery  
How they treat our ancestors  
They treat them so bad

They let them work the plantation  
Even plough the earth  
They work them and work them  
They work them to death

Now they wanna come play the same tricks  
On us, no-oh  
You ain't gonna play the same tricks  
On us, no-oh

A mister wicked - backway  
You are vampire - backway  
Slave driver - backway  
You are vampire, ah-who

Wa-ooh-wa-ooh-why  
Wa-ooh-wa-ooh-why  
Wa-ooh-wa-ooh-why  
Wa-ooh-wa-ooh-why

I feel like right  
I feel like right, wo-oh

Backway  
You are vampire - backway  
Backway  
Backway

Look into my history  
I can recall the days of slavery  
How they treat our ancestors  
They treat them so bad

They let them work the plantation  
Even plough the earth  
They work them and work them  
They work them to death

Now they wanna come play the same tricks  
On us, no-oh  
You ain't gonna play the same tricks  
On us, no-oh

Slave master - backway  
Slave driver - backway  
You are vampire - backway  
Slave driver, ah-woy  
Ah-woy, ah-woy, ah-woy

Wa-oooh-wa-oooh-why  
Wa-oooh-wa-oooh-why  
Wa-oooh-wa-oooh-why  
Wa-oooh-wa-oooh-why

I feel like right  
I feel like right - backway  
Slave driver  
Slave master - backway

When I look into my history  
I can recall the days of slavery  
How they treat our ancestors  
They treat them so bad

They let them work the plantation  
Even plough the earth  
They work them and work them  
They work them so bad

They wanna come play the same tricks  
On us  
You ain't gonna play the same tricks  
On us, no-oh

Backway  
You are vampire - backway  
You are slave driver - backway  
Vampire - backway
