Young girl, young girl...  
In love, with the dreadlocks... who oh

Young little girl say she love the natty dread, she love  
the natty dreadlocks gone to bed  
Young little girl say she love the natty dread, she love  
the natty dreadlocks gone to bed

She can't let her mammy know  
And she can't tell her daddy so  
Cause they would be so mad  
And they would be so sad  
Hey, I love her, I love her ooh-ohhh  
And she love I, she love I, hey-hey  
Oooh, I love her, I love her yeah heey  
And she love I, she love I, ooh-ohhh

When she's walking on the street  
All the boys said: "she look so sweet"  
When she's walking on the street  
All I can hear, is: "psss psss psss"  
I love her, I love her ooh-ohhh  
Cause she don't get attracted to the sound  
I love her, I love her ooh-ohhh  
Cause she don't get attracted to the sound  
Wooooooh yeaaaaah

Young girl, young school girl...  
In love, in love  
With a dreadlocks, a dreadlocks  
Dreadlocks, a dreadlocks

Young little girl say she love the natty dread, she love  
the natty dreadlocks gone to bed  
Young little girl say she love the natty dread, she love  
the natty dreadlocks gone to bed  
I love her, I love her ooh-ohhh  
And she love I, she love I, ooh-ohhh  
Oh yes I love her, oohh ohhh

She can't let her mammy know  
And she can't tell her daddy so

Cause they would be so mad  
And they would be so sad  
Hey, I love her, I love her, ooh-ohhh  
And she love I, she love I, hey-hey  
Ooh, I love her, I love her, ooh-ohhh  
And she love I, she love I, hey-hey

When she's walking on the street  
All the boys said: "she look so sweet"  
When she's walking on the street  
All I can hear, is: "psss psss psss"  
I love her, I love her ooh-ohhh  
Cause she don't get attracted to the sound  
I love her, I love her ooh-ohhh  
Cause she don't get attracted to the sound

Young girl, young girl...  
Young girl, young girl in love...  
With a dreadlocks, a dreadlocks...
