I'll be around no matter how
You treat me now
I'll be around from now on

You know that your
Latest love can never last
And when it's past
I'll be around when he's gone

Goodbye again and
If you find a love like mine
Just now and then
Drop a line to say
You're feeling fine

And when things go wrong
Perhaps you'll see
You're meant for me
So I'll be around when he's gone

Oh, my little darling
When things go wrong
Perhaps you'll see
You're meant for me
It has to be, my darling
I'll be around when he's gone
