Wild, wild, wild, wild, wild Cherry
Living high and, oh, so merry
If I only could reach you, Cherry
Oh, what I'd teach you
Wild, wild, wild, wild, wild Cherry

Sweet, sweet, sweet, sweet, wild Cherry
Why, why are you so contrary
You know I need your kissing
Still you keep on resisting
Sweet, sweet, sweet, sweet, wild Cherry

You're warm and tender
You're full of fire
And you should be here in my arms

Won't you surrender to my desire
Why waste the magic of your charms
I'll keep after you, you

Wild, wild, wild, wild, wild Cherry
Sweet, sweet, sweet, sweet, wild Cherry
Someday you'll fall and I'll catch you
And that day, Cherry, I bet you'll be mine
Wild, wild, wild, wild, wild Cherry
Sweet, sweet, sweet, sweet, wild Cherry
