"Big Time Sensuality"

I can sense it
Something important
Is about to happen
It's coming up

It takes courage to enjoy it
The hardcore and the gentle
Big time sensuality

We just met
And I know I'm a bit too intimate
But something huge is coming up
And we're both included

It takes courage to enjoy it
The hardcore and the gentle
Big time sensuality

I don't know my future after this weekend
And I don't want to

It takes courage to enjoy it
The hardcore and the gentle
Big time sensuality
