"Blue Eyed Pop"

This blue eyed pop it's just fabulous to go twisting,
Boogie-ing, in beat with the thousand pound snare
sound,
After boogieing we all crave for a hot dog splashed
with noise,
Queue and spew then back home to our love nest,
Need I say more.
Oh! this blue eye pop is just pure ecstasy.
This is too much fun,
Everyone is so close to laughing,
This kind of joy won't last,

Something wonderful is about to happen.
I feel perfectly ready don't know yet what it is,
I will look here inside this disco,
This is so hot hot,
We melt together like tigers and we are dancing
together.
