Now you say you love me
You cried the whole night through
Well, you can cry me a river
Cry me a river, I cried a river over you

Now you say you're sorry
For being so untrue
Well, you can cry me a river
Cry me a river, I cried a river over you

You drove me, nearly drove me
Out of my head when you never shed a tear

Remember, I remember all that you said
Told me love was through with being
Told me you were through with me but

Now you say you love me
And just to prove you do
Come on and cry me a river
Cry me a river, I cried a river over you

You drove me, nearly drove me
Out of my head when you never shed a tear

Remember, I remember all that you said
Told me love was through with being
Told me you were through with me but

Now you say you love me
And just to prove you do
Come on and cry me a river
Cry me a river, I cried a river over you

I cried a river over you
I cried a river over you
