Oh boy,  
Where have I put my keys?  
I've looked in my pocket,  
Behind the newspaper  
And underneath the remote control  
But I still can't find where I put it again

Oh boy,  
I cannot find my keys!  
Unfortunate/i'm far too late [ ? ]  
The door is open now  
A taxi is waiting there  
Ba ba ba ba ba ba  
Ba ba ba ba

The phone keeps ringin'  
I'm definately not goin' to

Pick it up,  
Cause:  
When I grow up,  
I'm gonna get those fancy key-rings  
That you  
Wistle at  
And...  
They wistle right back  
At you  
Oh...  
Ba ba ba ba ba ba  
Ba ba ba ba ba ba...[repeats]  
Ba ba ba ba ba,  
Ha![laughing]
