Dear General MacArthur,

With your permission  
I offer wishes of good health  
During this heat  
That burns anything

The words I slowly put together  
Do not flow easily, they only fill my heart

Recently, fulfilling  
Your heart's desire  
You removed the whaling  
Moratorium.  
Your gesture brings  
A much needed food  
To our community  
And families

The words I slowly put together  
Do not flow easily, they only fill my heart

A million year old fossil  
I send to you  
This comes from my family  
And the ancient sea  
A prehistoric impression  
Of the modern krill  
She feeds the noble whale  
And offers you longevity

The words I slowly put together  
Do not flow easily, they only fill my heart

Finally, please take good care in the heat.

Sincerely yours,  
Shizuka
