If you ever get close to a human  
And human behaviour  
Be ready to get confused  
There's definitely, definitely, definitely no logic  
To human behaviour  
But yet so, yet so irresistible  
And there's no map  
They're terribly moody  
And human behaviour  
Then all of a sudden turn happy  
But, oh, to get involved in the exchange  
Of human emotions is ever so, ever so satisfying  
Oh oh, and there's no map  
Human behaviour, human  
Human, human behaviour, human  
Human, human behaviour, human  
Human behaviour, human  
And there's no map  
And a compass  
Wouldn't help at all  
Human behaviour, human, human  
Human behaviour, human,  
Human behaviour, human,  
Human behaviour  
There's definitely, definitely, definitely no logic  
Human, human  
Human behaviour  
Human.  
There's definitely, definitely, definitely no logic  
Human, human, human, human.
