I wake up and know that
This is the day I'm leaving
I'm going alone with no map
I need room I need space
Have to try something that
Hasn't been done before
I want to go to places
Where I don't know what it's like

????????????????

Listen, I'm hungry
Thirsty for surprises
Ready for experience
Have to get what I need right now

I'm by the road hitchhiking
And a car has stopped.
As I climb in to it,
I'm struck with hot joy

Have to try something that
Hasn't been done before
I want to go to places
Where I don't know what it's like...

????????????????

Listen, I'm hungry
Thirsty for surprises
Ready for experience
Have to get what I need right now
Listen, I'm hungry
Ready for surprises
Thirsty for experience
Have to get what I need right now

Am I on my way out?
Lying in the grass, and allow myself to dream
Am I going further?
I want to go on, am I dreaming?
Have I gone crazy in my sleep?
Shake my head can someone find

Find me einar's food
Someone find einar's food
I said I'm hungry!
I had good food in society
Why am I so hungry
On my way out?

Einar's food is not good...
