Visit "[In the Musicals](#)" on [MotoLyrics.com](#)

Why do I love it so much?  
What kind of magic is this?  
How come I cant help adore it?  
Its just another musical  
No one minds it at all  
If Im having a ball  
This is a musical  
And there is always someone to catch me  
There is always someone to catch me  
There is always someone to catch me  
There is always someone to catch me  
When Id fall  
Why do I love you so much?  
What kind of magic is this?

How come I cant help adore you?  
You are in a musical

I didnt mind it at all  
You were having a ball  
This is a musical  
And you were always there to catch me  
You were always there to catch me  
You were always there to catch me  
You were always there to catch me  
When Id fall  
I dont mind it at all  
If youre having a ball  
This is a musical  
And Ill always be there to catch you  
I will always be there to catch you  
Ill always be there to catch you  
I will always be there to catch you  
You always be there to catch me  
And theres always someone to catch me  
You always be there to catch me  
You always there to catch me  
When Id fall
