(part one)

Why do I love it so much?
What kind of magic is this?
How come I can't help adore it?
It's just another musical
No one minds it at all
If I'm having a ball
This is a musical
And there is always someone to catch me
There is always someone to catch me
There is always someone to catch me
There is always someone to catch me
When I'd fall

(part two)

Selma- Why do I love you so much?
What kind of magic is this?
How come I can't help adore you?
You're in a musical

Oldrich -I didn't mind it at all
That you were having a ball
At my musical

And I was always there to catch you

Selma -You were always there to catch me
You were always there to catch me
You were always there to catch me
When I'd fall

[tap sequence]

Oldrich -I don't mind it at all
If you're having a ball
This is your musical

I'll always be there to catch you
Selma -You will always be there to catch me

Oldrich- I'll always be there to catch you

Selma- You will always be there to catch me

Choir -He'll always be there to catch you

He'll always be there to catch you

He'll always be there to catch you

He'll always be there to catch you

Selma- When I fall
