la de da da la de da da la de da da da

I'm just a simple girl
in a high tech digital world
and im tryin to understand
all the powers that rule his land
They say Miss J's big butt is boss
Kate Moss can't find a job
in this world with post modern fads
what was good now is bad
its not hard to understand
just follow this simple plan

(Chorus)
Follow your heart
go intuition
It will lead you in the right direction
let go of your mind
go intuition
its easy to find
just follow your heart baby

la de da da la de da da la de da da da

you look at me but your not quite sure Am I ready could you get more? You learn cool from magazines You learn love from Charlie Sheen if you want me let me know I promise I wont say no

(CHORUS)

You got somethin that you want to sell? sell your sin, just cash in You got somethin that you want to tell? you'll love me, wait and see

If you want me dont play games I promise it wont be in vain

(CHORUS x3)

Follow your heart go intuition It will lead you in the right direction
