I've Seen It All

Björk

I've seen it all

I have seen the trees

I have seen the willow leaves

Dancing in the breeze

Tom Yorke

I've seen a man killed

By his best friend,

And lives that were over

Before they were spent.

Björk & Tom Yorke

I've seen what I was

And I know what I'll be

I've seen it all

There is no more to see

Björk

You haven't seen elephants

Kings or Peru

Tom Yorke

I'm happy to say

I had better to do

Björk

What about China?

Have you seen the Great Wall?

Tom Yorke

All walls are great

If the roof doesn't fall

And the man you will marry

The home you will share

Björk

To be honest

I really don't care

[gibberish]

Tom Yorke
You've never been
To Niagara Falls

Björk
I have seen water
It's water, that's all

Tom Yorke
The Eiffel Tower
The Empire State

Björk
My pulse was as high
On my very first date

Tom Yorke
And your grandson's hand
As he plays with your hair

Björk
To be honest
I really don't care

[gibberish]

Björk & Yorke
I've seen it all
I've seen the dark
I've seen the brightness
In one little spark
I've seen what I chose
And I've seen what I need
And that is enough
To want more would be greed
I've seen what I was
And I know what I'll be
I've seen it all
There is no more to see

Tom Yorke
You've seen it all
And all you have seen
You can always review on
Your own little screen
The light and the dark
The big and the small
Just keep in mind
You need no more at all

Björk & Tom Yorke
You've seen what you were
And know what you'll be
You've seen it all
There is no more to see

[gibberish]
