You love him
You want to make him happy
He loves you
He wants to humiliate you

He's a bastard!
You should leave him!
Paranoid manipulator
To hell with him!

He's dragging you
Along
On a leash called love

He controls you
You should do him in
Before he gets to you
Watch out girl!

He's dragging you
Along
On a leash called love.

You have torn me
Inside out
Nothing but
A nervous wreck
You have got me

On that leash,
You whip me with
A leash called love
I've lost all sense of direction!
You make me a victim
To your friends' nasty remarks
And I don't know how
I survive!

Trying to tell (? ?)
You have to pretend like
? ? ? ? ? ? ? ? ? ?

I can no longer
Distinguish from
Right or wrong,
Sane, insane...

You're taking your chances
Be through with you (?)

Whip me back,
Back and forth.
Paranoid.
Leash called love..
