You can have me  
But I'll defend my child  
By spring that child will die

Oh deli owowow etc.  
Woo....

Moon... moon... moon...

I'm just so warm, Jennifer  
and I'm coming over  
to sa-bo-tage our distance

Moon will leave me on  
Moon will guide me through, baby  
Moon will guide me through  
Moon will turn me on

I just don't care anymore  
'Cause my chord is calling  
It's me and truth  
It's home  
I'm at home with thruth alone

Moon will leave me on  
Moon will guide us through  
Moon will guide us through, baby  
Moon will turn me on

The moon  
It guides me on baby  
There's absolutely no doubt  
...  
Me and truth  
It's home  
I'm at home with truth alone
