"Lucky Night"

I've tried a lot and most things excite me.
But what tops it all is doing two things at a time.

Life and death
Glass and water
Rock and roll
Wash and dirty
Christ and jesus
Time and hours

To drive a car and listen to music
To read a book and ride a train

Watch and maker
God and dog
Hammer and saw
Babies and nappies
Stop and hold
Moon and stars

To be enjoying combinations
Turns me on
I'm into trying a lot and most things excite me.
But what tops it all is doing two things at a time.

Knife and fork
Tar and feathers

Window and pane
Country and western
Rhythm and blues
Yawn and sigh

This is a lucky night for me
A night when one plus one is three
And the ? ? ? ? ?
? ? ? ? ? ? ? ? ? ?
When the ? ? ? ?
? ? ? ? ? ? ? ? ? ?

To read a letter and fall in love
To not sleep and be not unhappy

To watch tv and cuddle
Creme de la creme
Is doing two things at a time

To do two things twice at once
Its so nice is there a point?
? ? ? ? ? not to happen
Time and logic finally
You must enter my 2 last trips
Can that be, or am I still thinking?
