Dream whistle sweet clementine
Bring by these dancers in line
Calm claps are bigger than sign
Ooh, oh sweet clementine
Ooh, dancers in line
Ooooh
If living is seeing
Im holding my breath
And wonder
I wonder
What happens next
A new world
A new day to see
See, see
Im softly walking on air
I fly to heaven from here
Some light unfolds in my hair
Ooh, Im walking on air
Ooh, to heaven from here
Ooh
If living is seeing
Im holding my breath
And wonder
I wonder
What happens next
A new world
A new day to see
See, see
To see...
