Dear Gene,  
of course you are here  
and now there's nothing to fear

Ooh, I should have known  
Ooh, I was never alone

This isn't the last song  
there's no violin  
the choir is so quiet  
and no-one takes a spin  
this is the next to last song  
and that's all  
all

Remember what I have said

remember, wrap up the bread  
do this, do that, make your bed

This isn't the last song  
there's no violin  
the choir is quiet  
and noone takes a spin  
this is the next to last song  
and that's all
