Eat me
Eat me love
Leave nothing behind
Swallow me, all of me
Drink me love
Pour me in you
Devour me
Drink me in large gulps

Consume me love
I want you
To inhale me all of me
Drown me love
In a bottomless pond
I'll never return
Swallow me, all of me

I prefer you in a form of a love letter
I don't like you, I hate you
Your smug little smile makes me sick
I gave you nothing, you gave me nothing,
Why did we meet...

Eat me love
Your open mouth

Eat.. me.. love
I, on your tongue,
You got to eat me love..
Eat me love
You gulp me
Eat me love
I-i down your gullet
You eat me love.
Eat me love,
I in the stomach,
Eat me love, eat me love,
You splash acid on me.
Eat me love,
I travel down the intestines,
Eat me love,
Through the bowels

And out!

Eat me love!

Eat me love!

I hate you!
