Came from the east
Relative forgot
To scrape away
Land in south
Exhausted engine
No teeth
No chance to stop
Meet johnny

Came from the east
Like the sun
But with tired engine
Regina otherwise magnificent
Regina in good bloom
As old as the sun
With white teeth

Land on islands
Meet johnny
Examine my red
Basalt cluster
Bottomless dust, terrific sun
And wetting quite nicely thankyou
I do say nicely
I do mean that
Actually

Blow into the chastity belt
Regina, regina,

Hex and bitch and
Deserves lobster and fame..
Oh, johnny,
Teeth and gums
In my life
Moon and sun
In my life
Lobster and shrimp
In my life
I don't really like lobster

Regina is too old

But the sun is much older
Still the sun with white teeth
But mrs r. with none
Sun with false teeth
Give me lobster and fame!

I really don't like lobster!
