"Sod Off"

I know I've been tolerant 'til now
But here comes a warning
There's a very clear line that I'm drawing
And if you cross it

Sod off
Sod off

If you think I'll let you pull me down to
Your third-class communication
And bulldoze over all my sensitivities
You've read me all wrong

Sod off
Sod off
Sod off
Sod off

Things so far
Have been too perfect
This is the premiere
But, oh, how many dress rehearsals
I've been through

Darling, this is far too pure and perfect
I let you corrupt it

Sod off
I will let you ruin this
Sod off

Sod off
Sod off
Sod off
Sod off
