Sweet intuition  
Close your eyes  
Listen closely  
All that you've learnt  
Try to forget it

Fuck logic, fuck logic  
Bravo to instinct  
And sweet intuition

What makes you tick  
Try to remember  
All that you've learnt  
Try to forget it

(sweet intuition)  
Believe in believing  
(sweet intuition)  
Believe in instinct  
Sweet intuition  
And sweet intuition, honey

And inside

We're all still wet  
Longing and yearning  
Repeat after me:

(sweet intuition)  
Fuck logic, fuck logic  
(sweet intuition)  
Bravo to instinct  
And sweet intuition  
Sweet intuition  
Sweet intuition, honey  
Sweet intuition  
Sweet intuition, honey

Sweet intuition  
Sweet intuition  
Sweet intuition  
Sweet intuition
