Close your eyes

Listen closely

All that you've learned

Try to forget it

Fuck logic, fuck logic

Rival of instinct

And sweet intuition

What makes you tick

Try to remember

All that you've learned

Try to forget it

Believe in, believe in

Believe in istinct

And sweet intution

Sweet intuition

Sweet intuition

Sweet intuition

Sweet intuition

And inside

We're all still wet

Yearing and longing

Repeat after me

Fuck logic, fuck logic

Rival to istinct

And sweet intuition

Sweet intuition honey

Sweet intuition

Sweet

Sweet intuition honey

Sweet

• •

Sweet intuition

Sweet intuition

Huh

Huh
