It's not meant to be a strife  
It's not meant to be a struggle uphill  
Oh I

It's not meant to be a strife  
It's not meant to be a struggle uphill  
Oh I

You're trying too hard  
Surrender  
Give yourself in  
You're trying too hard  
You're trying too hard, ah

It's not meant to be a strife  
It's not meant to be a struggle uphill  
Sweetly  
It's not meant to be as dry  
To enjoy  
It's not meant to be a struggle uphill  
Oh I

It's warmer now  
Lean into it  
Unfold  
Unfold in a generous way  
Surrender

It's not meant to be as dry (surrender)

It's not meant (undo) to be a struggle uphill (undo)  
It's not meant to be as dry  
It's not meant to be a struggle uphill

I'm praying  
To be  
In a generous mode  
The kindness kind  
The kindness kind  
To share  
Me  
To share me

It's not meant to be as dry  
It's not meant to be a struggle uphill

It's not meant to be as dry  
It's not meant to be a struggle uphill

Undo  
Undo  
If you're bleeding  
Undo  
And if you're sweating  
Undo  
If you're crying, darling  
Undo

Undo  
Oh I  
Unravel
