"Where Is The Line?"

Where is the line with you?
Where is the line with you?
Where is the line with you?
Where is the line with you?

My purse wide open
You ask again
I see you trying to
Cash into accounts everywhere

Where is the line with you?
Where is the line with you?
Where is the line with you?
Where is the line with you?

I want to be flexible
I want to go out
Of my way for you
But enough is enough

Where is the line with you?
Where is the line with you?
Where is the line with you?
Where is the line with you?

I want to be elastic
I want to go
Out of my way for you
I want to help you

Where is the line with you?
Where is the line with you?
Where is the line with you?
Where is the line with you?

I want to have
Capacity over you
And be elastic
To be elastic, elastic

Where is the line with you?
Where is the line with you?

Where is the line with you?
Where is the line with you?
Where is the line with you?
Where is the line with you?

I'm elastic for you

Where is the line with you?
Where is the line with you?
Where is the line with you?
