"Who Is It?"

His embrace a fortress
It fuels me and places
A skeleton of trust right beneath us
Bone by bone, stone by stone

If you ask yourself patiently
And carefully who is it?
Who is it?

Who is it, that never lets you down?
Who is it, that gave you back your crown?
And the ornaments are they're going around
Now they're handing it over, they're handing it over
Handing it over

Who is it, that never lets you down?
Who is it, that gave you back your crown?
And the ornaments are they're going around
Now they're handing it over, handing it over

Handing it over
Handing it over
Handing it over

He demands a closeness
We all have earned a lightness
Carry my joy on the left
Carry my pain on the right

If you ask yourself now patiently
And carefully who is it?

Who is it, that never lets you down?
Who is it, that gave you back your crown?
And the ornaments are they're going around
And I'm handing it over, handing it over
Handing

Who is it, that never lets you down?
Who is it, that gave you back your crown?
And the ornaments are they're going around
Now I'm handing it over, handing it over

Handing it over
Handing it over
Handing it over
